# Department of Botany

certificate course

2024-25

**CERTIFICATE COURSE**

**On**

**NURSERY MANAGEMENT**

## **About the college**

V.K.V Government Degree College, kothaPeta, Located near the Government High school Kothapeta in Dr B.R Ambedkar konaseema District of Andhra Pradesh.V.K.V Government Degree College, kothaPeta has embarked upon imparting quality higher education to the students the institution has been enjoying the confidence and laurel of parent community and other stake holders for its innovative practices in devising and deploying pedagogy and infrastructure in making students globally competitive.

The modern and well-equipped student supporting facilities especially, e-enabled library Sports etc., are serving as launch pads for equipping the student with necessary skills that enable them scale new year heights in their education and job careers. And NAAC accredited institution at grade B, it boasts of committed and academically in genius faculty with research purist. The institution fortifies teaching- learning activity with state- off the art latest ICT infrastructure. Fabricating various nanostructures and devices for various applicatio

## **About the Department:**

The Department of Botany was established in 1985.. The study of Botany is vital as plants are a fundamental part of life on Earth. The curriculum for the B.Sc. Botany Programme has been designed with an aim of encouraging the broad instructional goals and to support the growing demands and challenging trends in the educational scenario. It targets at providing an environment that encourages, promotes and stimulates the intellectual, professional and personal development of the student. The curriculum caters to the all-round development of the student, preparing globally ready individuals into the fast pacing world. A Four-year bachelor's degree program in Botany provides the foundation for prospective botanists to pursue a graduate level education or find an entry-level career.

The Department of Botany is a well-established and highly recognized department in terms of academics and student strength in its graduate and undergraduate programmes. The department regularly updates its curriculum in accordance with UGC guidelines as well as latest advancements in the relevant fields. Majority of the teachers are keenly and productively involved in research pedagogical advancement. The department not only focuses on nurturing both curricular and extracurricular talent/ skills of students but also makes an endeavor to play a vital role in Botany by promoting innovative work.

### **VISION &MISSION**

1. To be a “center for Excellence”
2. To discover, maintain and transmit knowledge concerning basic plant biology and provide leadership in the biological sciences.
3. To expand academic co-operation by offering new courses and upgrading programmes to a wider spectrum of students and researchers
4. To produce entrepreneurs for prosperous ventures in the selected fields of their advancements with global perspective.

### **Faculty Profile:**

<b>Name of the faculty</b>	<b>Qualification</b>	<b>Position</b>
M.Hemalatha	M.Sc	Contract lecturer in Botany

### **About the Certificate Course**

Plant nursery was established in the V.K.V Government Degree college kothaPeta for raising the seedlings of avenue trees , Ornamental, fruit yielding, Timber yielding and medicinal plants by the AP Social Forestry Department. The Department of Botany having Memorandum of understanding with A P Social Forestry Department. In this connection We offered certificate course on Nursery management to B.sc students and trained practically In our college campus.

The Nursery management training course is a teaching program with live demonstration in our farm. We provide a guide book from which trainer know all things about plant cultivation techniques practices.

To learn management practices for wholesale container and field production nurseries. Business development, management, site selection, financial aspects, legal regulations, production practices (nutrition, water management, pest management, pruning and training, storage and handling, shipping).

The wholesale nursery market plays a vital role in the green-industry supply chain. With hundreds of thousands of acres planted across North America, nursery operations of varying sizes provide containerized and field-grown trees, shrubs and perennials. Nursery growers make significant capital investments in their crops, many of which are in the ground or in containers for years before they're ready for market. These nursery products grace home and commercial landscapes, city parks and urban forests. Nursery plants are vital to the economic and physical health of communities contributing to cleaner air, cleaner water, wildlife habitats, lower utility bills, higher land values and happier citizens.

## **Objectives and scope of the course**

The main objective of the nursery is to grow plants in an open environment, maintain a good quality of plants and protect the plants from pests and diseases. It was the responsibility of the commercial nursery growers to develop good quality of plants for their customers.

## **Course outcomes**

- The study of scope and importance of nursery .
- Study of Plant Propagation and Nursery Management.
- Deals with seed production technology of horticultural crops.
- Analyze the greenhouses based on shape, utility, construction, covering materials and cost.
- fundamental components of Production technology of following sub- tropical and temperate
- vegetable crop production technology
- Complete knowledge about Scope and importance of commercial floriculture in India
- knowledge Production technology of medicinal and plantation crops

## **SYLLABUS FOR NURSERY MANAGEMENT AND TECHNICAL SKILLS.**

HOURS :30

### **UNIT-1**

Introduction, Importance, Development. Establishment of Nursery -: Selection of site- Location, Soil and Climate for Nursery, Topography, Wind, Elevation of Nursery place, Irrigation and Drainage facilities, Transportation and Marketing facilities, Labour facilities, Situation of Nursery , Free from all types of insects And diseases, Soil and preparation of Nursery.

**Lay out of Nursery-:** Bed Department, Construction Department, Water management Department, Residential Department, Roads and Paths Department.

**Types of Nursery -:** Multipurpose or Mixed Nurseries, Monopurpose or General Mother plants Department Nursery, Specialized Nursery, Attached or auxiliary or subsidiary Nursery

### **UNIT-2**

Location of Nursery -: Scientific layout of Nursery, Collection of mother plant and their management, Source Of available root stocks and their proper utilization , Testing and processing of seeds viability or seeds survival, Use of standard methods of plant propagation , Proper management of seed or storage , Arrangement of good Selling, Proper testing facilities , Arrangement of Training and Demonstration, Arrangement of nursery Exhibitions .

### **UNIT-3**

Nursery Management -: Plant Propagation, Sexual propagation ( seed ), Asexual propagation – Introduction ,Division- suckers, runners, crown, Rhizome, corm, tubers, bulb, bulbil, stolen, offset. Rootage- cutting, layering. Graftage- approach grafting, whip, Tongue, cleft, saddle, side, veneer, bark, buttressing, epicotyle, bridge, double, Top working, Double working, Frame working.

## **Practical syllabus**

- Study of Nursery tools and implements and their uses
- Classification of Nursery.
- Method of Division.
- Method of Graftage.

## **Reference :-**

1. Plant Propagation and Nursery Husbandry (Hindi & English) G.S. Saini (Hindi & English)
2. Udhyan Vigyan (Hindi) Dr. S.S. Shrivastav
3. Plant Propagation & Nursery Management. Shrivastav R.R. Sharma & Manish
4. Plant Propagation and Nursery Husbandry Dr. J.V.S

**Detailed pedagogical plan**

<b>Day</b>	<b>Period</b>	<b>Time</b>	<b>Topic</b>	<b>Methodology</b>
1	1	4.00-5.00 pm	Introduction ,Importance, Development.	Lecture
	2	5.00-6.00 pm	Establishment of Nursery Selection of site- Location, Soil and Climate for Nursery.	Lecture
2	3	4.00-5.00 pm	Study of nursery tools	Practical
	4	5.00-6.00pm	Topography, Wind, Elevation of Nursery place Irrigation and Drainage facilities	Lecture
3	5	4.00-5.00pm	Transportation and Marketing facilities	Lecture
	6	5.00-6.00pm	Labour facilities	Practical
4	7	4.00-5.00pm	Situation of Nursery Free from all types of insects And diseases	Lecture
	8	5.00-6.00pm	Study of nursery tools	Practical
5	9	4.00-5.00pm	Soil and preparation of Nursery.	Lecture
	10	5.00-6.00pm	<b>Lay out of Nursery-:</b> Bed Department, Construction Department,	Lecture
6	11	4.00-5.00pm	Water management and Paths Department.	Practical
	12	5.00-6.00pm	Residential Department	Lecture
7	13	4.00-5.00pm	Mother plants Department Roads and Paths Department.	Lecture

	14	5.00-6.00pm	Soil and preparation of Nursery.	Practical
8	15	4.00-5.00pm	Types of Nursery -: Multipurpose or Mixed Nurseries	Lecture
	16	5.00-6.00pm	Monopurpose or General Mother plants Department Nursery	Lecture
9	17	4.00-5.00pm	Specialized Nursery Attached or auxiliary or subsidiary Nursery	Lecture
	18	5.00-6.00pm	Location of Nursery -: Scientific layout of Nursery	Practical
10	19	4.00-5.00pm	Collection of mother plant and their management	Lecture
	20	5.00-6.00pm	Collection of mother plant and their management	Lecture
11	21	4.00-5.00pm	Source Of available root stocks and their proper utilization	Lecture
	22	5.00-6.00pm	Testing and processing of seeds viability or seeds survival	Lecture
12	23	4.00-5.00pm	Classification of Nursery	Practical
	24	5.00-6.00pm	Use of standard methods of plant propagation	Lecture
13	25	4.00-5.00pm	Proper management of seed or storage	Lecture
	26	5.00-6.00pm	Method of Division	Practical
14	27	4.00-5.00pm	Arrangement of good Selling	Lecture
	28	5.00-6.00pm	Proper testing facilities	Lecture

15	29	4.00-5.00pm	Testing and processing of seeds viability or seeds survival	Practical
	30	5.00-6.00pm	Arrangement of Training and Demonstration,	Lecture
16	31	4.00-5.00pm	Arrangement of nursery Exhibitions .	Lecture
	32	5.00-6.00pm	Arrangement of Training and Demonstration	Practical
17	33	4.00-5.00pm	Nursery Management -: Plant Propagation, Sexual propagation.	Lecture
	34	5.00-6.00pm	Nursery Management -: Plant Propagation, Sexual propagation.	Practical
18	35	4.00-5.00pm	Asexual propagation – Introduction ,Division- suckers.	Lecture
	36	5.00-6.00pm	runners, crown, Rhizome.	Lecture
19	37	4.00-5.00pm	runners, crown, Rhizome.	Practical
	38	5.00-6.00pm	corm, tubers, bulb, bulbil.	Lecture
20	39	4.00-5.00pm	stolen, offset.	Lecture
	40	5.00-6.00pm	corm, tubers, bulb, bulbil.	Practical
21	41	4.00-5.00pm	Rootage- cutting, layering.	Lecture
	42	5.00-6.00pm	Graftage- approach grafting, whip, Tongue, cleft.	Lecture
22	43	4.00-5.00pm	Method of Graftage	Practical
	44	5.00-6.00pm	saddle, side, veneer, bark, buttressing.	Lecture

23	45	4.00-5.00pm	epicotyle, bridge, double.	Lecture
	46	5.00-6.00pm	Method of Graftage	Practical
24	47	4.00-5.00pm	Top working, Double working	Lecture
	48	5.00-6.00pm	Frame working.	Lecture
25	49	4.00-5.00pm	Mock practical test	practical test
	50	5.00-6.00pm	Mock practical test	practical test
26	51	4.00-5.00pm	Model test	Class test
	52	5.00-6.00pm	Model test	Class test
27	53	4.00-5.00pm	Model test	Class test
	54	5.00-6.00pm	Model test	Class test
28	55	4.00-5.00pm	Model test	Class test
	56	5.00-6.00pm	Model test	Class test
29	57	4.00-5.00pm	Model test	Class test
	58	5.00-6.00pm	Model test	Class test
30	59	4.00-5.00pm	Evaluation	Final Exam
	60	5.00-6.00pm	Certificate presentation	

Evaluation:

Written Examination for 20 Marks (MCQ Model)

Practical Examination for 30 Marks (Lab- Execution of designing)

## Model Question Paper

Each Question carries 1 mark. Total

Questions :20

Time : 30mins

Total marks : 20

1:-The art of making animal shapes in plants is

- A:-Topiary
- B:-Pinching off
- C:-Edging
- D:-Hardening

2:-Seed viability test is otherwise called

- A:-Ragdoll test
- B:-Tetrazolium test
- C:-Vigour test
- D:-Germination test

3:-Liver red is variety of

- A:-Orchid
- B:-Aster
- C:-Anthurium
- D:-Gladiolus

4:-Which is an important pest attacking orchids?

- A:-Bugs
- B:-Snails
- C:-Beetles
- D:-Bore

5:-Jaya is a

- A:-Short duration rice variety
- B:-Medium duration rice variety
- C:-Long duration rice variety
- D:-Wheat variet

6:-Which banana variety is suitable for cultivation in high altitudes?

- A:-Grandnaine
- B:-Robusta
- C:-Boldles Altafort
- D:-Batheesa

7:-The plant part used for Tissue culture

- A:-Stem cell
- B:-Guard cell
- C:-Proplant
- D:-Explants

8:-Tissue culture is based in the principle of

- A:Apomixis
- B:-Polyembryony
- C:-Parthenocarpy
- D:-Totipotency

9:-Bread fruit is propagated by

- A:-stem cutting
- B:-leaf cutting
- C:-root cutting
- D:-limb cutting

10:-Mound layering is otherwise called

- A:-Stool layering
- B:-Chinese layering
- C:-Serpentine layering D:-  
Tip layering

# V.K.V Government Degree College, kothaPeta

## Certificate of Completion

This certificate is awarded to

---

successful completion of Nursery management and Technical skills conducted by  
Department of Botany V . K . V Government Degree College, Kothapeta

Signature of the incharge

Department of botany

Signature of the principal

V.K.V GDC kothaPeta

CERTIFICATE COURSE-2024-25  
FINANCIAL LITERACY**

**NAME OF THE CERTIFICATE COURSE: FINANCIAL LITERACY**

**DURATION: 1 MONTH**

**NO.OF STUDENTS: 30**

**FROM DATE: 27-02-2025**

**TO DATE: 27-03-2025**

**Name of the Lecturer:**

- 1) **Dr. K. Satya Narayana**
- 2) **Ch.Naga SriLakshmi**
- 3) **Satya**

**Signature of Hod**

**Signature of Principal**

## **SYLLABUS**

**Course Objective:** The objective of this course is to learn knowledge regarding the effective  
**Management of Money and Debt.**

**Course Outcome:** 1. Student gained the Knowledge in how to earn Money, how to invest  
Money In better way.  
2.To better Allocation of Funds, resulting in financial security and  
Prosperity.

**UNIT-I: Financial Budgeting-Management-savings-Opening of a Bank Account and other Financial  
Transactions.**

**UNIT-II: Taxation -Introduction-features-Principles of Taxation-Types of Taxes-Investing.**

### **Model question paper**

**I) Answer any TWO of the following. 2x10=20**

- 1) What is Financial Budget Explain briefly?**
  
- 2) Explain the uses of Bank Account?**
  
- 3) Explain the features of Tax system?**

**II) Answer all questions from the following? 5X2=10**

- 1) Budget**
  
- 2) What is Management?**
  
- 3) Definition of a Bank?**
  
- 4) What is investment?**

5) What is tax?

## CERTIFICATE COURSE INAUGURATION-2024-25

**Signature of Hod**

**Signature of Principal**

**VKV GOVERNMENT DEGREE COLLEGE, KOTHAPETA**

**NAAC Accredited 'B' Grade (2.13 CGPA)**

**Affiliated to Adikavi Nannaya University, Rajamahendravaram**

**Kowshik Road, Kothapeta-533223 Dr B R Ambedkar Konaseema Dt AP**

**An ISO 9001-2015 Certified college by HYM International Certifications Pvt Ltd**

## **DEPARTMENT OF PHYSICS**

### **CERTIFICATE COURSE (2024-25)**

**Title of the Paper: Electrical winding (05 February to 04 March 2025)**

Duration: 30 Hours (15 Theory + 15 Practical)

#### **SYLLABUS**

##### **UNIT-I (5 hrs)**

**1. Mass, Weight and Density:** Mass, Unit of Mass, Weight, difference between mass and weight, Density, unit of density, specific gravity of metals

**Work, Power and Energy:** work, unit of work, power, unit of power, Horse power of engines, mechanical efficiency, energy, potential and kinetic energy,

**Earthing:** Different methods of earthing. i.e. Pipe, Plate, etc Importance of Earthing. Improving of earth resistance.

**Electricity:** Resistors types of resistors & properties of resistors. Definition and properties of conductors, insulators and semiconductors. Types of wires & cables, standard wire gauge.

##### **UNIT-II (5 hrs)**

##### **2. Coil winding and insulation:**

**(a) Insulating materials:** Solid, Liquid and gaseous insulating materials Fiber glass tape, mica tape, silicon tape, thermal classification, typical schemes of insulation used in the windings.

**(b) Conductors:** Conductors materials such as copper, aluminium, brass etc. their shape, size and current carrying capacity. Insulation used on winding wires, their types, size, voltage and temperature ratings.

**(c) Windings:** Different types of windings used in AC/DC rotating machines and Transformers.

##### **UNIT-III (5 hrs)**

**3. D.C. m/c Winding:** Introduction to armature winding, Winding terms - pole pitch, coil pitch, back pitch, front pitch, Types of winding - Lap & Wave winding, Progressive and retrogressive winding. Winding materials, winding hand tools, coil winding machine, winding calculations and tables.

**Transformer Winding:** Shell or core type assembly. Winding machines, Number of turns for correct transformation ratio

**VKV GOVERNMENT DEGREE COLLEGE, KOTHAPETA**

**NAAC Accredited 'B' Grade (2.13 CGPA)**

**Affiliated to Adikavi Nannaya University, Rajamahendravaram**

**Kowshik Road, Kothapeta-533223 Dr B R Ambedkar Konaseema Dt AP**

**An ISO 9001-2015 Certified college by HYM International Certifications Pvt Ltd**

## **DEPARTMENT OF PHYSICS**

### **CERTIFICATE COURSE (2024-25)**

**Title of the Paper: Electrical winding (05 February to 04 March 2025)**

#### **MODULE 1**

Mass, Unit of Mass, Weight, difference between mass and weight, Density, unit of density, specific gravity of metals

work, unit of work, power, unit of power, Horse power of engines, mechanical efficiency, energy, use of energy, potential and kinetic energy,

#### **MODULE 2**

Different methods of earthing. i.e. Pipe, Plate, etc Importance of Earthing. Improving of earth resistance.

Resistors types of resistors & properties of resistors. Definition and properties of conductors, insulators and semiconductors. Types of wires & cables, standard wire gauge.

#### **MODULE 3**

Solid, Liquid and gaseous insulating materials Fiber glass tape, mica tape, silicon tape, thermal classification, typical schemes of insulation used in the windings.

#### **MODULE 4**

Conductors materials such as copper, aluminium, brass etc. their shape, size and current carrying capacity.

Insulation used on winding wires, their types, size, voltage and temperature ratings

Different types of windings used in AC/DC rotating machines and Transformers.

#### **MODULE 5**

Introduction to armature winding, Winding terms - pole pitch, coil pitch, back pitch, front pitch, Types of winding - Lap & Wave winding, Progressive and retrogressive winding. Winding materials, winding hand tools, coil winding machine, winding calculations and tables.

#### **MODULE 6**

Shell or core type assembly. Winding machines, Number of turns for correct transformation ratio

**VKV GOVERNMENT DEGREE COLLEGE, KOTHAPETA**

**NAAC Accredited 'B' Grade (2.13 CGPA)**

**Affiliated to Adikavi Nannaya University, Rajamahendravaram**

**Kowshik Road, Kothapeta-533223 Dr B R Ambedkar Konaseema Dt AP**

**An ISO 9001-2015 Certified college by HYM International Certifications Pvt Ltd**

## **DEPARTMENT OF PHYSICS**

**CERTIFICATE COURSE (2024-25)**

**Title of the Paper: Electrical winding**

### **MODEL PAPER**

**Time: 1.30 Hours**

**Max. Marks: 50**

#### **Section-A**

Answer any **TWO** of the following questions.

2 x 15 = 30M

1. State and Explain different types of earthing?
2. State and Explain different types of windings used in AC/DC rotating machines and Transformers?
3. Explain Winding machines and Transformer winding?

#### **Section-B**

Answer any **FOUR** of the following questions

4 x 5 = 20 M

4. Explain difference between mass and weight?
5. Explain different types of wires & cables?
6. Write about Solid, Liquid and gaseous insulating materials?
7. Write short note on Conductors materials?
8. What is Progressive and retrogressive winding, Explain?
9. What are Winding materials, Explain?

\*\*\*\*\*

DEPARTMENT OF HISTORY

CERTIFICATE COURSE – 2024-25

IDEA OF BHARATH

**Period** : 11-02- 2025 -17-03-2025

**Timings:** 04:00pm -05:00pm

**Duration: 1 Month**

**Total Hours: 15**

**OBJECTIVES :**

The "Idea of Bharat" certificate course aims to provide a comprehensive understanding of India's rich cultural heritage, historical evolution, and socio-political dynamics. Here are some key objectives of the course:

1. **Cultural Awareness:** To enhance knowledge about India's diverse cultural traditions, art forms, and heritage.
2. **Historical Insight:** To provide a detailed understanding of India's historical milestones, from ancient civilizations to modern times.
3. **Philosophical Understanding:** To explore Indian philosophical thoughts, including concepts like Dharma, Vasudaiva Kutumbakam, and the Indian Knowledge Traditions.
4. **Scientific Contributions:** To highlight India's contributions to science and technology, including Ayurveda, Yoga, and the Indian numerical systems.
5. **Socio-Political Context:** To examine the socio-political changes and developments in India over the centuries.
6. **Critical Thinking:** To encourage critical analysis and discussions on historical events and their impact on contemporary society.

The course is designed to foster a deeper appreciation of India's past and its relevance to the present and future

**COURSE OUTCOMES :**

The "Idea of Bharat" certificate course aims to provide students with a deep understanding of India's cultural, historical, and philosophical heritage. Here are some key outcomes of the course:

1. **Comprehensive Knowledge:** Students will gain a thorough understanding of the salient aspects of the Bharata Civilization.
2. **Dharma-Based Living:** Students will be able to showcase the principles of Dharma as practiced by the Bharata civilization.
3. **Critical Analysis:** Students will develop the ability to critique various misrepresentations of the Bharata civilization.
4. **Historical Synthesis:** Students will be able to synthesize an expansive account of world history, highlighting the role of Bharatam in it.
5. **Relevance of Bharata Thought:** Students will establish an expanded sense of purpose and relevance of Bharata thought and paradigm in contemporary society

# SYLLABUS

## **Module 1: Introduction to Bharatvarsha**

- **Overview of Bharatvarsha:** Historical and geographical context.
- **Key Historical Events:** Indus Valley Civilization, Maurya and Gupta Empires.
- **Cultural Significance:** Festivals, rituals, and traditions.

## **Module 2: Indian Knowledge Systems**

- **Languages and Scripts:** Sanskrit, Tamil, Pali, and regional languages.
- **Art and Culture:** Classical dance, music, visual arts, and architecture.
- **Education and Ethics:** Gurukula system, Nalanda and Takshashila universities.

## **Module 3: Philosophy and Dharma**

- **Concepts of Dharma:** Duties, righteousness, and moral responsibilities.
- **Indian Philosophical Schools:** Vedanta, Buddhism, Jainism, and Yoga.
- **Vasudhaiva Kutumbakam:** The world as one family, interconnectivity of life.

## **Module 4: Science and Technology**

- **Ancient Indian Contributions:** Metallurgy, astronomy, mathematics, and medicine.
- **Environmental Conservation:** Traditional practices and sustainable living.
- **Ayurveda and Yoga:** Principles and practices for health and wellness.

## **Module 5: Economic Traditions**

- **Economic Thought:** Arthashastra, ancient economic policies.
- **Agriculture and Trade:** Crop cultivation, irrigation systems, and trade routes.
- **Maritime Commerce:** Historical trade with other civilizations, trade goods.

(2024-2025)

## MODEL QUESTION PAPER

Time: 2 Hours

Max. Marks: 50M

### SECTION -A

#### **Part A: Short Answer Questions** (2 x 5 = 10 M)

1. Describe the concept of Vasudhaiva Kutumbakam.
2. Explain the importance of Ayurveda and Yoga in ancient Indian science.
3. Discuss the role of ancient Indian universities like Nalanda and Takshashila in the educational system

### SECTION -B

#### **Part B: Medium Answer Questions** (1 x 10 = 10 M).

1. Highlight the contributions of ancient India to the field of mathematics.
2. Explain the significance of the Arthashastra in understanding ancient Indian economic thought.
3. Discuss the concept of Dharma and its relevance in Indian philosophy.

### SECTION -C

#### **Part C: Long Answer Questions** (2 x 15 = 30M )

1. Examine the cultural and historical significance of the Indus Valley Civilization. How did it influence later civilizations in India?
2. Analyze the impact of maritime trade on the economic development of ancient India. Provide examples of key trade routes and traded goods.

Head of Department

## Course Details

- **Course Duration:** One month (11th February 2025 to 17th March 2025)
- **Course Timings:** 4:00 PM to 5:00 PM
- **Target Audience:** 1st Year and 2nd Year B.A students

## Objectives

The primary objectives of the "Idea of Bharath" course were to:

1. Educate students about the diverse cultural traditions of India.
2. Highlight significant historical events and figures that shaped modern India.
3. Foster a deeper understanding and appreciation of India's heritage among young scholars.

## Course Structure

The course was structured into weekly modules, each focusing on different aspects of Indian history and culture:

1. **Week 1:** Introduction to the concept of Bharath, covering ancient India and its foundational philosophies.
2. **Week 2:** Medieval India - Key dynasties, contributions to culture, art, and architecture.
3. **Week 3:** Colonial India - Socio-economic impacts, freedom struggle, and key historical figures.
4. **Week 4:** Post-Independence India - Nation-building, significant policies, and cultural resurgence.

## Key Highlights

- **Interactive Sessions:** Students engaged in discussions and debates on various historical topics.
- **Guest Lectures:** Eminent historians and scholars were invited to provide expert insights and conduct interactive Q&A sessions.
- **Field Visits:** Organized visits to local historical sites and museums to provide practical exposure and context to theoretical knowledge.

## Student Feedback

The course received positive feedback from the participating students, who appreciated the comprehensive curriculum and the engaging teaching methods. Many students expressed

that the course significantly enhanced their understanding of India's rich cultural heritage and instilled a sense of pride and appreciation for their country's history.

### **Conclusion**

The "Idea of Bharath" certificate course successfully achieved its objectives of educating and engaging students with the historical and cultural richness of India. The Department of History plans to continue offering such enriching programs to foster a deeper connection between students and their heritage

## DEPARTMENT OF PHYSICS

### Extension activity

### Practical orientation to the high school students

**ZPPGH School Kothapeta on 28-02-2025**

The department of physics organised an extension activity 'practical orientation to the high school students' on 28-02-2025 to impart practical knowledge related to their theoretical subject in physics and develop innovative thinking among the students. Around 85 students are actively participated in this activity along with their teachers and ZPPH school, HM Sri N. Satyanrayana. Students felt very happy by observing the physics practicals in optics, acoustics, fluid dynamics etc and clarified their doubts.

Physics HOD Dr. K. Ankama Rao and faculty member Smt. K. Sai Lakshmi are explained the practicals arranged in the physics laboratory and clarifies the students doubts.

## Extension Activity

### COMPUTER LAB EXHIBITION to ZPPGHS STUDENTS KOTHAPETA

**Venue:** Computer Lab-VKV GDC, Kothapeta

**Date:** 28th February 2025

**Occasion:** National Science Day

**Participants:** Students of ZPPGHS School, Kothapeta

On the occasion of National Science Day, a Computer Lab Exhibition was organized at VKV GDC, Kothapeta, on 28th February 2025. The event was attended by students of ZPPGHS School, Kothapeta, along with faculty members and staff.

#### **Objective of the Exhibition:**

The main objective of this exhibition was to create awareness among students about the advancements in computer technology and to enhance their practical knowledge in the field of computing. It aimed to inspire students to develop an interest in science and technology and to understand the applications of computers in various fields.

#### **Highlights of the Exhibition:**

- **Demonstration of Basic and Advanced Computer Applications:** The students were given hands-on experience with various software applications, programming languages, and hardware components.
- **Artificial Intelligence and Robotics:** A special segment was arranged to introduce students to AI and robotics, including live demonstrations of automated systems and machine learning models.
- **Cyber Security Awareness:** Experts explained the importance of cyber security and demonstrated safe browsing techniques, password protection, and online security measures.
- **Virtual Reality and Augmented Reality:** Students explored the immersive experience of VR and AR, gaining insights into their applications in education and entertainment.
- **Coding and Game Development:** Interactive sessions were conducted to introduce students to coding basics and game development using beginner-friendly platforms.

#### **Student Participation and Interaction:**

The students of ZPPGHS Kothapeta actively participated in the exhibition, showing great enthusiasm and curiosity. They engaged in interactive sessions, asked insightful questions, and expressed their eagerness to learn more about computer science and its real-world applications.

#### **Feedback and Conclusion:**

The event was a grand success, with positive feedback from students and teachers. They appreciated the practical demonstrations and interactive sessions, which made learning more engaging. The faculty of VKV GDC Kothapeta extended their support and guidance throughout the event.

The Computer Lab Exhibition on National Science Day served as a significant step toward fostering scientific temperament and technological awareness among young learners. It encouraged students to explore new dimensions of computer science and inspired them to pursue careers in technology-driven fields.

## BRIEF REPORT

**Event:** Guest Lecture on the INDIAN NATIONAL MOVEMENT

**Date :** 22nd February 2025

**Time :** Afternoon

**Venue:** Government Degree College, Ravulapalem

**Participants-** 2nd Year History Minor Students

### SPEAKER:

kum. Ch. Bhavani, History Lecturer at VKV Government Degree College, Kothapeta, to deliver a guest lecture on the Indian National Movement.

### KEY HIGHLIGHTS:

- Comprehensive overview of the Indian National Movement and its significant phases.
- Detailed discussion on key figures and their pivotal roles in the independence struggle.
- Examination of the socio-economic impact of British colonial rule and the subsequent fight for freedom.
- Engaging Q&A session where students asked insightful questions and received detailed answers.

### CONCLUSION:

The lecture was well-received by the students, who found the presentations by Kum Ch. Bhavani to be informative and inspiring. This event provided an excellent educational opportunity, enriching the students' understanding of India's rich history and the immense sacrifices made during the independence movement.

I express my gratitude to the principal and Sri V. Siddhardh Kumar for inviting me and providing this wonderful opportunity.

## REPORT ON FACULTY FORUM SESSION

Title: Faculty Forum on "How to Upload Data into College Website"

Organized by: Department of Computer Science, VKV Government Degree College, Kothapeta

Date: 14th February 2025

Venue: Computer Lab, VKV Government Degree College, Kothapeta

Resource Persons:

1. KSN Prasad, Lecturer in Computers
2. D. Kavya, Lecturer in Computers

Introduction:

The Department of Computer Science at VKV Government Degree College, Kothapeta, conducted a Faculty Forum session on "How to Upload Data into the College Website" on 14th February 2025. The objective of this session was to equip the faculty members with the necessary skills to efficiently upload and manage academic and administrative data on the college website.

Session Highlights:

The session commenced with a welcome note and an introduction to the topic by KSN Prasad. He explained the significance of maintaining an up-to-date and informative college website for better communication and transparency.

D. Kavya then provided a hands-on demonstration on the step-by-step process of uploading various types of content, including academic schedules, circulars, faculty details, and student-related information. The demonstration covered:

- Logging into the college website's content management system (CMS)
- Uploading documents, images, and announcements
- Formatting and structuring web content effectively
- Troubleshooting common issues

Interactive Session:

The participants actively engaged in the session, practicing the techniques demonstrated by the resource persons. Queries related to access permissions, file formats, and content organization were addressed in detail.

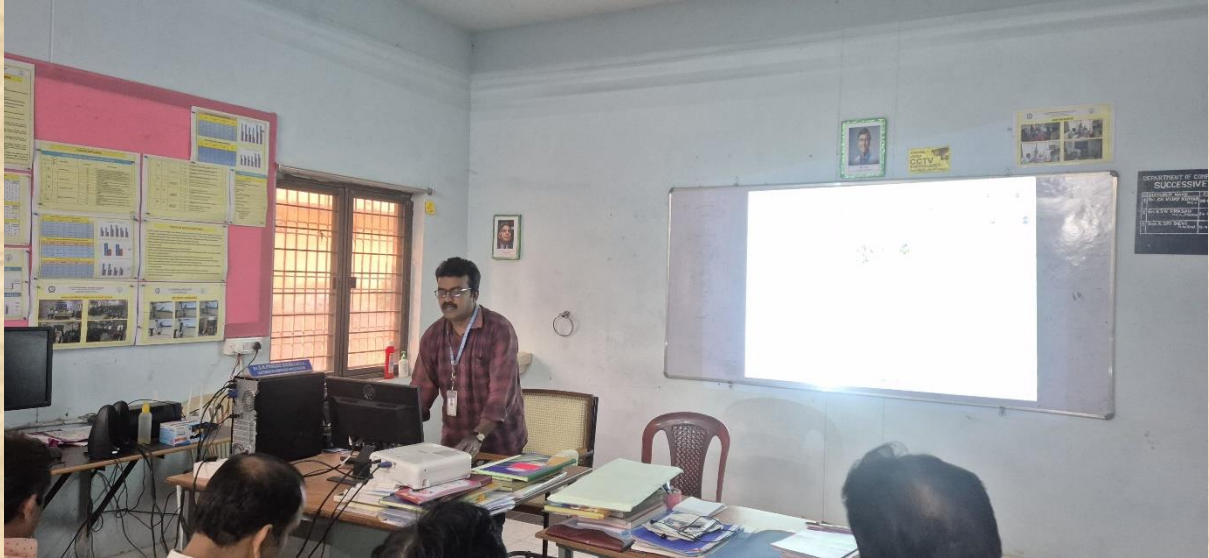

Conclusion:

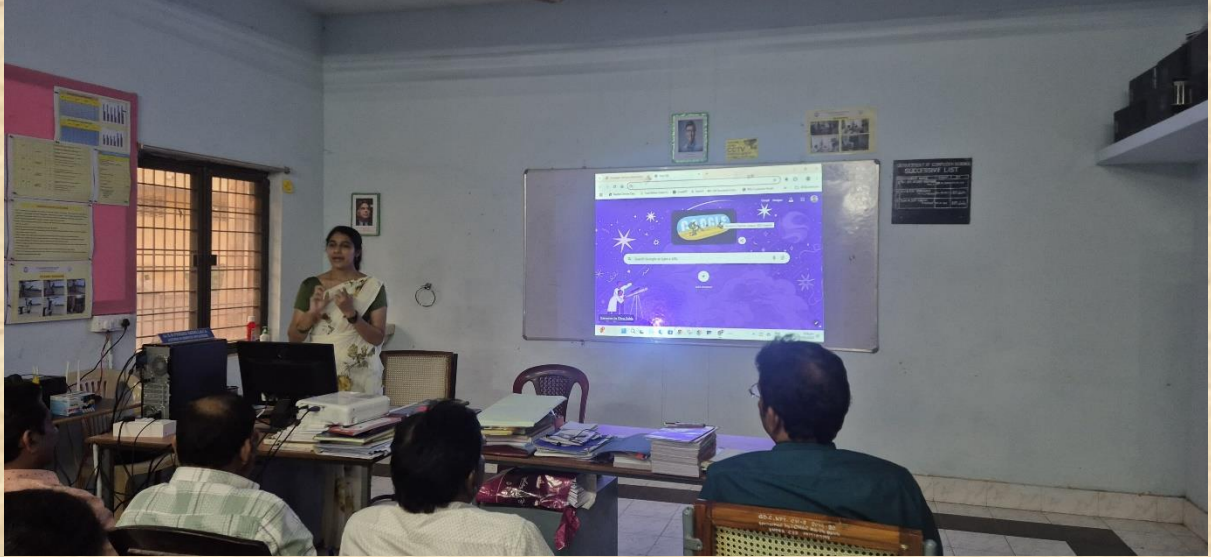

The session concluded with an interactive Q&A session where faculty members clarified their doubts. The resource persons emphasized the importance of timely updates to maintain the credibility of the college website. The Vice Principal, Smt. Ramadevi, appreciated the efforts of the Computer Science Department for organizing such a valuable session and encouraged all faculty members to actively contribute to the website.

Outcome:

The Faculty Forum successfully enhanced the technical skills of lecturers, empowering them to contribute effectively to the digital presence of the college. The session was well-received, and participants expressed their willingness to implement the knowledge gained.

## Objectives

- To enhance their science curriculum and learn about plant life cycles
- To gain practical knowledge about plant selection and care
- To explore different plant varieties for specific design projects

## Report

A one Day Botanical field visit has been arranged by the Department of Botany , V.K.V. Government Degree college, kothaPeta on 07-02-2025 at sri Satyanarayana nursery, kadiyapulamka possessing ornamental plant cultivation.

The visit was primarily planned for II Bs.c minor Botany students.

The nursery management provide one member as a guide to our team in that of time. He was explained every plant habitation and morphological features , exporting and importing methods and medium preparation for plant growth, grafting and cutting methods.

The main objective of an educational trip to a plant nursery, where individuals, often students, can observe and learn about different types of plants, their growth stages, propagation techniques, and the overall process of cultivating plants from seedlings to mature specimens, usually including hands-on experiences like examining leaves, touching different textures, and potentially even planting small plants themselves; it's a practical way to learn about botany and horticulture in a real-world setting.

GUEST LECTURE

(అతిథి ఉపన్యాసం)

కొత్తపేట,

20-02-2025.

విశ్వకవి వేమన ప్రభుత్వ డిగ్రీ కళాశాల, కొత్తపేట నందు తెలుగు విభాగము లెక్చరర్ కె. సుకృదవల్లి ఆధ్వర్యంలో ఈ రోజు మధ్యాహ్నం 03:00 గంటలకు సెమినార్ హాల్ వేదికగా గెస్ట్ లెక్చర్ ఏర్పాటు చేయడం జరిగింది. ఈ కార్యక్రమానికి అతిథి అధ్యాపకులుగా ప్రభుత్వ డిగ్రీ కళాశాల, రావులపాలెం Department of Telugu HOD Dr. G. Haribabu గారు విచ్చేశారు. “ఆధునిక సమాజంలో తెలుగుభాష - ప్రాముఖ్యత” అనే అంశంపై వారు ప్రసంగించడం జరిగింది. భాష యొక్క ప్రాముఖ్యతను, తెలుగు భాష విశిష్టతను గురించి విద్యార్థినీ, విద్యార్థులకు తెలియజేశారు.

అదేవిధంగా ప్రపంచంలోని వివిధ భాషా కుటుంబాల గురించి, ద్రావిడ భాషల గురించి, మూల ద్రావిడ భాషగా తెలుగు యొక్క విశిష్టతను గురించి తెలియజేశారు. తెలుగు భాషకు ప్రాచీన & ఆధునిక సాహిత్యాలలో ఎంతో ప్రాముఖ్యత ఉన్నదని మరియు వివిధ కవులు, రచయితలు తెలుగు భాషలో విశిష్టమైన రచనలు చేసి సమాజానికి అందించారని తెలియజేశారు. తెలుగు భాష ప్రాముఖ్యతను తెలియజేసే పద్యాలను, కవితలను పాడి వినిపించారు. భాష యొక్క వివిధ లక్షణాలను, ఉపయోగాలను తెలియజేశారు. సాహిత్య, సామాజిక, సాంస్కృతిక పరంగా భాష యొక్క విలువను తెలియజేసి, భాషా వాదాలు ఏర్పడిన విధానాన్ని తెలియజేశారు.

ఈ కార్యక్రమంలో ప్రథమ, ద్వితీయ సం|| B.A, B.com, Bsc చదువుతున్న విద్యార్థిని, విద్యార్థులు అందరూ పాల్గొన్నారు. ఉపన్యాసం అనంతరం Dr.G. HariBabu గారికి చిరు సత్కారం చేయడం జరిగింది. ఈ కార్యక్రమంలో తెలుగు విభాగం తరపున HariBabu గారికి మా అభ్యర్థన మన్నించి కళాశాలకు విచ్చేసినందుకు ప్రత్యేక ధన్యవాదాలు తెలియజేయడం జరిగింది.

# *Certificate Course on "Python Essentials"*

**Organized by:** Department of Computer Science and Applications

**Date of Inauguration:** 25th February 2025

**Venue:** Computer Lab

**Chief Guest:** Dr. G. Srinivasulu, Vice-Principal

**Total Registered Students:** 30

## **Introduction**

The Department of Computer Science and Applications successfully organized the inauguration of the one-month certificate course on "Python Essentials" on 25th February 2025. This course is designed to provide students with a solid foundation in Python programming, a key skill for anyone pursuing a career in technology, data science, artificial intelligence, and software development.

## **Inaugural Session**

The inauguration ceremony was held in the Computer Lab and commenced at 3:00 PM. The event was attended by 30 students who had registered for the course. The ceremony was graced by the chief guest, **Dr. G. Srinivasulu**, Vice-Principal, who was welcomed with great enthusiasm by both the faculty and students. His presence added significant value to the event, and his speech was a highlight of the ceremony.

## **Course Overview**

The "Python Essentials" certificate course is intended to offer hands-on learning and foundational knowledge in Python programming. The course covers the following core topics:

- Basic Python syntax and data structures
- Functions, loops, and conditional statements
- File handling and error management
- Introduction to key libraries, including NumPy and Pandas
- Basics of data visualization using Python

The course aims to equip students with the skills needed to write efficient Python code and tackle real-world programming challenges.

## **Chief Guest Address**

During the inauguration, **Dr. G. Srinivasulu**, Vice-Principal, addressed the students and emphasized the importance of acquiring programming skills in today's digital era. He highlighted that Python is one of the most popular and versatile programming languages, widely used in various industries for tasks ranging from web development to machine learning.

Dr. Srinivasulu encouraged the students to engage fully in the course, stressing the importance of practical learning and problem-solving. He also advised them to maintain a strong commitment throughout the duration of the course and to make the most of the learning opportunities available to them.

## **Student Registration and Participation**

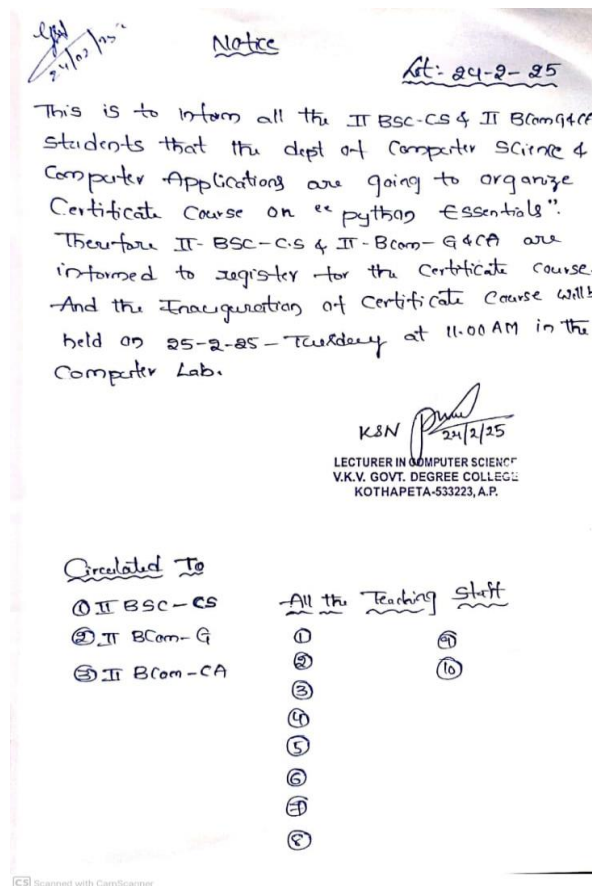

A total of **30 students** were officially registered for the course. The participants come from diverse academic backgrounds, reflecting a broad interest in learning Python. The students appeared enthusiastic and eager to begin their journey in Python programming, with many expressing a desire to apply their

newly acquired skills in real-world scenarios.

## Conclusion

The inauguration of the "Python Essentials" one-month certificate course was a successful event that marked the beginning of an exciting educational journey for the registered students. With the support of the faculty and guidance from Dr. G. Srinivasulu, the students are poised to gain valuable skills that will help them in their academic and professional careers.

The Department of Computer Science and Applications is committed to offering courses that provide students with industry-relevant skills and knowledge, and we look forward to the successful completion of this program.

## **Report on Campaigning for Degree Admissions into VKV Government Degree College, Kothapeta**

**Introduction:** In an effort to enhance enrolment for the upcoming academic year, VKV Government Degree College, Kothapeta, conducted an admission campaign targeting students from Government Junior College, Kothapeta, and nearby junior colleges. The objective was to motivate and encourage students to pursue higher education at our esteemed institution by highlighting the advantages of studying in a government college.

**Date: 14-Feb-2025**

**Campaign Execution:** A dedicated team of faculty members and student volunteers visited various junior colleges in the region, including Government Junior College, Kothapeta, to interact with prospective students. The campaign was designed to create awareness about the academic programs, infrastructure, faculty, scholarships, and career opportunities available at VKV Government Degree College.

### **Key Highlights:**

#### **1. Visits to Junior Colleges:**

- Our team conducted interactive sessions at Government Junior College, Kothapeta, and other nearby junior colleges.
- Students were informed about the range of undergraduate programs offered, including Arts, Commerce, and Science streams.

#### **2. Motivational Talks:**

- Faculty members and senior students shared insights on the benefits of higher education and career prospects.
- Success stories of alumni were highlighted to inspire students to pursue degree courses at VKV Government Degree College.

#### **3. Awareness on Scholarships and Financial Assistance:**

- Information on government scholarships, fee reimbursements, and other financial aid options was provided to encourage economically weaker students.
- Special emphasis was given to the fee structure, which is significantly lower compared to private institutions, ensuring affordability.

#### **4. Infrastructure and Facilities Showcase:**

- Students were briefed about the well-equipped classrooms, laboratories, library, and extracurricular activities available at the college.
- The importance of a holistic education, including sports and cultural events, was discussed.

#### **5. Distribution of Brochures and Information Pamphlets:**

- Printed materials with details of courses, faculty, and admission procedures were distributed.
- Contact details of the admission cell were shared for further inquiries.

## **Report on Campus Cleaning Drive at VKV Government Degree College, Kothapeta**

**Introduction:** In line with the Swachh Andhra initiative, the students of VKV Government Degree College, Kothapeta, actively participated in a campus cleaning drive. The event aimed to promote cleanliness, hygiene, and environmental awareness among students while ensuring a clean and green college environment.

**Date:**15-2-2025

**Objective:** The primary objective of the cleaning drive was to support the Swachh Andhra mission by maintaining a clean and eco-friendly campus. The initiative also aimed to instill a sense of responsibility and civic duty among students.

### **Activities Conducted:**

#### **1. Cleaning of College Premises:**

- Students cleaned classrooms, corridors, and common areas within the campus.
- Dusting and sweeping of library, laboratories, and administrative offices were carried out.

#### **2. Waste Management Awareness:**

- Segregation of biodegradable and non-biodegradable waste was practiced.
- Dustbins were placed at strategic locations to encourage proper waste disposal.

#### **3. Campus Beautification:**

- Students removed unwanted vegetation and cleared debris from the garden areas.
- Plantation of saplings was undertaken to enhance greenery within the campus.

#### **4. Awareness Campaign:**

- Faculty members addressed students on the importance of cleanliness and hygiene.
- Posters and banners promoting Swachh Andhra were displayed across the campus.

**Impact and Student Participation:** The cleaning drive witnessed enthusiastic participation from students, faculty, and non-teaching staff. The initiative not only contributed to a cleaner campus but also reinforced the importance of sustainable practices in daily life. Students demonstrated teamwork and commitment towards maintaining a hygienic learning environment.

**Conclusion and Future Plans:** The campus cleaning drive was a great success, aligning with the vision of Swachh Andhra. VKV Government Degree College, Kothapeta, plans to organize such cleanliness campaigns regularly, ensuring a sustained effort towards environmental conservation. Encouraging student-led initiatives will further enhance awareness and commitment to cleanliness and sustainability.

---

To,

The principal  
Government Degree College  
Ravulapalem  
DR.B.R. Ambedkar Konaseema District.

Respected sir,

**Subject:** Request for permission to smt Ch.G .R Joyasi-Lecturer in Botany to deliver a lecture on Life History of Ectocarpus at V.K.V GDC kothaPeta on 27-2-2025.

I am writing to formally request your kind permission to allow Ch.G .R Joyasi , Head, Department of Botany at your esteemed institution to deliver a Guest lecture on "Life History of Ectocarpus "at V.K.V GDC kothaPeta on 27<sup>th</sup> February 2025

Looking forward to your positive response.

Thanking you Sir,

Yours faithfully

*G. Srinivas*  
Principal  
V.K.V. Govt. Degree College  
KOTHAPETA  
25/02/25.

## Brief Report

Date:27/02/2025

Topic: Life History of Ectocarpus

Speaker:Ch.G.R. Joyasi

**Introduction:** Ch.G.R.Joyasi, Lecturer in Botany

Her work Experiences are

- She worked for 5 years in V.K.V .Government Degree college, kothaPeta
- Now she was working in Government Degree college, Ravulapalem

Ch.G.R.Joyasi was our Guest lecture for the session which was held at Botany Laboratory on 27-02-2025 at 12pm,All the students were gathered around the lab for the session ,then Ch.G.R Joyasi started with her bio and shared her experiences with us which was quite motivating for students ,then started with topic session on Life History of Ectocarpus.

- Classification of Ectocarpus
- Habitation of Ectocarpus
- Thallus organisation
- Cell structure
- Reproduction

## Department of Chemistry

**National Science Day:28-02-2025**

National Science Day is celebrated in India on February 28 each year to commemorate the discovery of the Raman effect by Indian scientist Sir C. V. Raman on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930 and National Science Day is celebrated to inculcate the scientific temper among the student's community.

On the occasion of National Science Day, the Department of Chemistry, in collaboration with the Department of Physics, organized an awareness program at the Seminal Hall of VKV GDC Kothapeta. The program began with all faculty members garlanding the portrait of Sir C.V. Raman, in honor of his contribution to science.

Sri N. Satyanaryana garu, Head Master, was invited as the Chief Guest for the event. In his inspiring speech, he along with other speakers, addressed the gathering and emphasized the importance of science in the development of society. Their words motivated the students to further their understanding of science and its role in shaping the future.

This event not only celebrated the legacy of Sir C.V. Raman but also encouraged students to explore the world of science with greater enthusiasm. In this programme HOD of Chemistry Dr. G. Srinivasulu, IQAC Co-Ordinator Dr. K.Ankamarao, Dr.D.Ch. Papa Rao, HOD of Mathematics, Dr.K.Satyanarayana, HOD of Commerce, Smt. N. Naga rani HOD of English, Sri. P. Sai Krishna, Lecturer in Chemistry, Smt. Ch. N. Srilakshmi, Lecturer in Commerce, Smt. V. Naga Deepika, Lecturer in Political science, K.Sai Lakshmi, Lecturer in Physics Ch. Bhavani, Lecturer in History and students were participated. The program concluded with a vote of thanks.

**Chief Guest:** Sri N. Satyanaryana garu,

**Date:** 28-02-2025

**Time:** 11.00AM

**Theme:** Empowering Indian Youth for Global Leadership in Science & Innovation for VIKSIT BHARAT

Dr.N. Satyanarayana, Head master, ZPP Girls High School addressed the students about necessity of Innovations

Dr.G.Srinivasulu, HOD of Chemistry, inculcating scientific temper among the students community

Dr.K.Ankama Rao Hod of Physics delivered the speech on importance of National science day

With best regards,

PRINCIPAL  
(Dr.K.PEDDI RAJU)

## BRIEF INTRODUCTION

Mathematical modelling is a powerful tool used to represent real-world situations through mathematical concepts and structures. It involves creating abstract models that simulate the behaviour of systems, processes, or phenomena using mathematical equations and relationships. These models help in understanding complex systems, predicting outcomes, and making informed decisions.

One of the key applications of mathematical modelling is in engineering, where it is used to design and analyse structures, optimize processes, and simulate various scenarios. For example, engineers use mathematical models to predict the performance of bridges, buildings, and other infrastructure under different conditions.

In the field of biology, mathematical modelling helps researchers understand the dynamics of populations, the spread of diseases, and the interaction of biological molecules. These models are essential for developing strategies to control epidemics, improve public health, and design effective medical treatments.

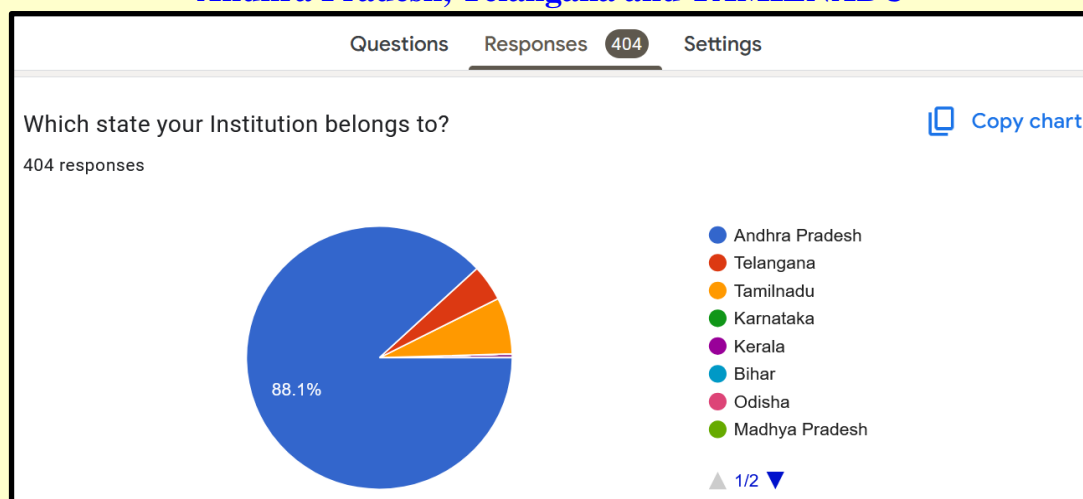

Economics and finance also heavily rely on mathematical modelling to analyse market trends, forecast economic growth, and assess the impact of policy changes. Economists use models to study consumer behaviour, market equilibrium, and financial risks, which aids in making sound economic decisions.

Environmental science benefits from mathematical modelling by predicting climate change, assessing the impact of human activities on ecosystems, and managing natural resources. These models are crucial for developing sustainable practices and mitigating the effects of environmental degradation.

Additionally, mathematical modelling is widely used in the field of physics to describe the behaviour of particles, waves, and forces. It helps physicists understand fundamental principles of the universe and develop new technologies based on these principles.

In summary, mathematical modelling is a versatile and essential tool that finds applications across various disciplines. It enables researchers, engineers, economists, and scientists to gain insights into complex systems, make accurate predictions, and solve real-world problems effectively. By harnessing the power of mathematics, we can better understand the world around us and develop innovative solutions for the challenges we face.

# BROCHURE

## About our College

VISWAKAVI Vemana Government Degree college (VKV GDC) was established in 1979 in the name of VISWAKAVI Vemana who is popularly known as Praja Kavi – poet of the people.

This college is located in Kothapeta village on the banks of sacred river Godavari. The village is located in Kothapeta Assembly and Amalapuram Parliamentary constituency of Dr. B.R.Ambedkar Konaseema district of Andhra Pradesh.

At the time of foundation, the college had two programmes of study viz., B.A (Economics, History and Political science) and B.Com (General).

In the year 1985-86, (After 6 years of establishment) two science programmes viz., B.Sc., (Mathematics, Physics and Chemistry) and B.Sc., (Botany, Zoology and chemistry) were added.

## **BRIEF INTRODUCTION**

Planting saplings is a crucial step towards maintaining ecological balance and ensuring a sustainable future. Trees play an essential role in our environment by absorbing carbon dioxide, releasing oxygen, and providing habitat for countless species. The act of planting saplings helps combat deforestation, a significant issue that contributes to climate change and loss of biodiversity.

By participating in sapling plantation, individuals can actively contribute to the preservation and enhancement of green spaces in urban and rural areas. This not only improves air quality but also aids in the restoration of degraded landscapes. Additionally, trees act as natural air filters, reducing pollution and providing cleaner air for communities.

Planting saplings also fosters a sense of responsibility and environmental stewardship among people of all ages. It encourages community involvement and collaboration, as individuals come together to plant and care for young trees. This collective effort strengthens social bonds and promotes a shared commitment to protecting our planet.

Moreover, sapling plantation can have economic benefits, such as providing raw materials for industries and supporting local economies through forestry-related activities. It also offers educational opportunities, teaching people about the importance of trees and the various ecological processes they support.

In summary, the plantation of saplings is a vital initiative that addresses environmental, social, and economic challenges. By planting and nurturing young trees, we contribute to a healthier planet, foster community spirit, and ensure a greener future for generations to come. Let's take action today and make a positive impact on our world through the simple yet powerful act of planting saplings.

Number of Staff participated: 25  
Number of Students participated: 105  
DATE:05.02.2025.

**ప్రపంచ క్యాన్సర్ దినోత్సవం**  
4 ఫిబ్రవరి 2025

**యునైటెడ్ బై యునిక్**

**మనమంతా కలసికట్టుగా క్యాన్సర్ ను ఆపగలం**

**ప్రమాదానికి కారణాలు**

- ధూమపానం, నమలడం వంటి ఏ రూపంలోనైనా పొగాకును ఉపయోగించడం
- మద్యం సేవించడం
- ఎక్కువ ఎర్ల మాంసం, ఫ్రాస్డ్ చేసిన మాంసం మరియు తక్కువ పండ్ల మరియు కూరగాయలు తినడం
- ఊబాకాయం మరియు శారీరక స్తబ్ధత
- కుటుంబవరంగా క్యాన్సర్ చరిత్ర కలిగి ఉండటం
- ఎక్స్ కిరణాలు, UV కిరణాలు, రాడాన్, సికెడ్ హ్యాండ్ పొగాకు పొగ, వాయు కాలుష్య కారకాలు మొదలైన వాటికి గురికావడం
- వయస్సుతో పాటు క్యాన్సర్ ప్రమాదం పెరుగుతుంది
- బలహీనమైన రోగనిరోధక వ్యవస్థ కారణంగా క్యాన్సర్ వచ్చే ప్రమాదం పెరుగుతుంది

**నివారణ**

- ధూమపానం మానేయడం
- ఆరోగ్యకరమైన ఆహారం తీసుకోండి
- క్రమం తప్పకుండా వ్యాయామం చేయండి
- ఆరోగ్యకరమైన బరువును నిర్వహించండి
- క్యాన్సర్ కోసం, ముఖ్యంగా నోటి, రొమ్మ మరియు గర్భాశయ క్యాన్సర్ కోసం పరీక్షించండి
- మద్యం వినియోగాన్ని పరిమితం చేయండి
- క్యాన్సర్ ను నివారించడానికి పావ్ లి మరియు HPV వైరస్ లకు వ్యతిరేకంగా టీకాలు వేయించుకోండి

**మీ ఆశను ఎప్పుడూ వదులుకోకండి**

**ప్రపంచానికి అవగాహన కల్పించడానికి, క్యాన్సర్ సంరక్షణలో అంతరాన్ని తగ్గించడానికి ఐక్యంగా ఉందాం**

## **LIST OF SOME RISK FACTORS FOR GETTING CANCER**

- 1. Exposure to UV light:** Spending too much time in the sun or using tanning beds can increase the risk of skin cancers like melanoma.
- 2. Infections:** Certain infections, such as human papillomavirus (HPV), can increase the risk of cancers like cervical cancer.
- 3. Family history:** Having a family history of cancer can increase the risk due to inherited genetic mutations.
- 4. Radiation exposure:** Previous treatment with chemotherapy or radiation therapy for other cancers can increase the risk of developing a second cancer.
- 5. HIV infection:** Being infected with HIV can raise the risk of certain cancers, such as non-Hodgkin lymphoma.
- 6. Unhealthy diet:** Poor nutrition and eating habits can contribute to the development of various cancers.
- 7. Lack of physical activity:** A sedentary lifestyle can increase the risk of several types of cancer.
- 8. Obesity:** Excess body weight is linked to an increased risk of several cancers, including breast and colorectal cancer.
- 9. Smoking:** Even though it's less common among teens, exposure to secondhand smoke can still increase cancer risk.
- 10. Environmental toxins:** Exposure to harmful substances like asbestos, radon, and certain chemicals can increase cancer risk.
- 11. Alcohol consumption:** Drinking alcohol, even in small amounts, can increase the risk of certain cancers.
- 12. Hormonal factors:** Hormonal imbalances or treatments can increase the risk of cancers like breast cancer.
- 13. Poor sleep habits:** Lack of sleep and poor sleep quality can negatively impact overall health and increase cancer risk.
- 14. Stress:** Chronic stress can weaken the immune system and increase vulnerability to cancer.
- 15. Unprotected sex:** Engaging in unprotected sexual activity can increase the risk of HPV-related cancers.
- 16. Poor hygiene:** Not maintaining good hygiene can lead to infections that may increase cancer risk.

**17. Lack of vaccinations:** Not getting recommended vaccines, such as the HPV vaccine, can increase cancer risk.

**18. Exposure to harmful substances:** Being around harmful substances like pesticides and industrial chemicals can increase cancer risk.

**19. Radiation from medical imaging:** Frequent exposure to medical imaging tests that use radiation can increase cancer risk.

**20. Genetic mutations:** Some cancers are caused by random genetic mutations that occur without an external cause.

## **Avoid some common risk factors of cancer for girl students**

**Absolutely, here are some tips to help girl students avoid common risk factors of cancer:**

### **1. Sun Safety:**

**Use Sunscreen:** Apply broad-spectrum sunscreen with at least SPF 30 when going outdoors.

**Wear Protective Clothing:** Wear hats, sunglasses, and long sleeves to protect your skin from UV rays.

**Avoid Peak Sun Hours:** Stay in the shade or indoors between 10 AM and 4 PM when the sun's rays are strongest.

### **2. Prevent Infections:**

**Get Vaccinated:** Make sure to get vaccines like the HPV vaccine to protect against certain cancers.

**Practice Safe Sex:** Use condoms and get regular screenings to prevent HPV and other infections.

### **3. Healthy Diet:**

**Eat a Balanced Diet:** Include plenty of fruits, vegetables, whole grains, and lean proteins.

**Limit Processed Foods:** Reduce intake of processed and sugary foods.

### **4. Stay Active:**

**Exercise Regularly:** Aim for at least 30 minutes of moderate exercise most days of the week.

**Reduce Sedentary Time:** Take breaks from sitting, and find ways to stay active throughout the day.

## **5. Maintain a Healthy Weight:**

**Monitor Weight:** Keep track of your weight and make adjustments to your diet and activity level as needed.

**Avoid Crash Diets:** Focus on long-term, sustainable lifestyle changes rather than quick fixes.

## **6. Avoid Smoking and Secondhand Smoke:**

**Don't Start Smoking:** Avoid experimenting with smoking or vaping.

**Stay Away from Secondhand Smoke:** Avoid places where people smoke and encourage smoke-free environments.

## **7. Limit Alcohol Consumption:**

**Drink in Moderation:** If you choose to drink alcohol, do so in moderation (e.g., no more than one drink per day).

## **8. Reduce Exposure to Harmful Substances:**

**Avoid Harmful Chemicals:** Be cautious around chemicals and pesticides.

**Check for Radon:** Test your home for radon, a radioactive gas that can cause lung cancer.

## **9. Get Regular Screenings:**

**Routine Check-ups:** Go for regular health check-ups and screenings as recommended by your healthcare provider.

## **10. Manage Stress:**

**Practice Relaxation Techniques:** Engage in activities like meditation, yoga, or deep breathing exercises.

**Get Support:** Talk to friends, family, or a counselor if you're feeling stressed.

## **11. Maintain Good Hygiene:**

**Personal Hygiene:** Keep good personal hygiene to reduce the risk of infections.

**Handwashing:** Wash your hands regularly to prevent infections.

## **12. Get Enough Sleep:**

**Prioritize Sleep:** Aim for 7-9 hours of quality sleep each night.

**Create a Sleep Routine:** Develop a regular sleep schedule and a relaxing bedtime routine.

### Department of Chemistry

#### SCHOOL TO COLLEGE OUTREACH PROGRAMME-Date: 28/02/2025

The Department of Chemistry conducted a school-to-college outreach program on the occasion of National Science Day, February 28, 2025, to foster scientific temper among school children. Total 85, 10th class students from ZPP Girls High School participated in the event and visited our college's chemistry laboratory. During the visit, Ist and IInd B.Sc. Honors students explained the various laboratory equipment's and chemicals used in practical sessions, offering the school children a hands-on experience of chemicals and instruments available in Département of Chemistry.

The program proved to be mutually beneficial for both the school and college students, enhancing their knowledge and interest in chemistry. The headmaster of the school, Mr. N. Satyanarayana, along with other enthusiastic school teachers, actively participated in the event. Dr. G. Srinivasulu, Head of the Department of Chemistry, and Sri. P. Sai Krishna, lecturer in chemistry, further enriched the experience by discussing basic principles of chemistry and demonstrating practical experiments to the school children.

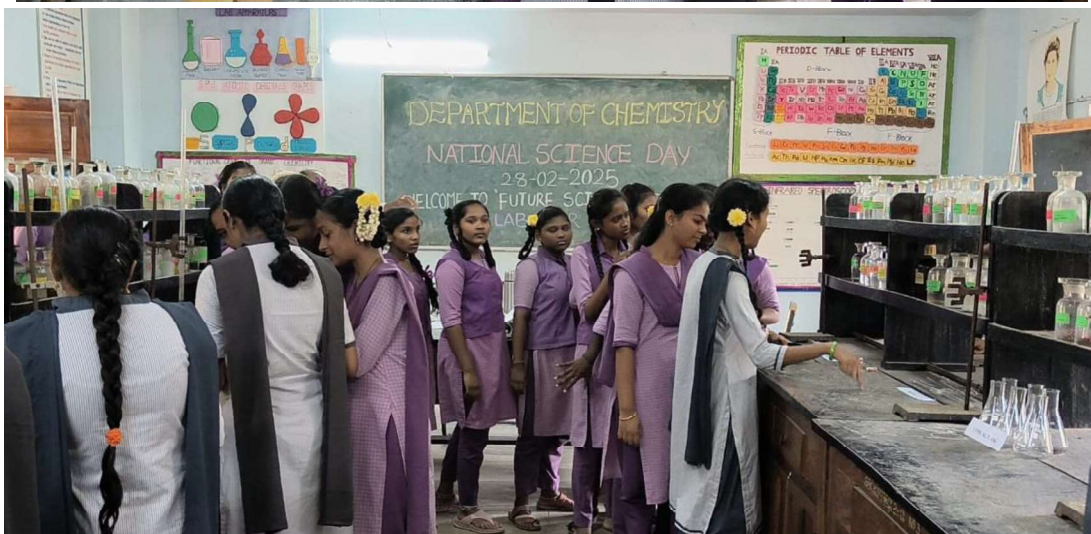

ZPP Girls High School Xth class students Chemistry Lab tour visit on **National science day** as part of **School to College outreach programme**. Sri N. Satyanaryana garu, Head Master, Dr. D.CH. Papa Rao, HOD Of Mathematics and other staff members are also joined in this programme.

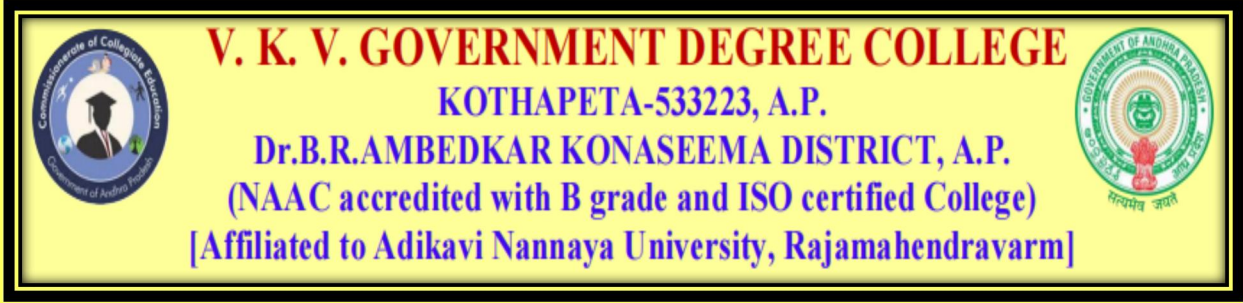

Dr. G. Srinivasulu, HOD of Chemistry, explaining the importance of renewable energy resources and Fuel of the future : H<sub>2</sub>(Hydrogen) through model project.

Sri P. Sai Krishna demonstrating the characteristic colour of simple salt on flame test.

I B.Sc and II B.Sc Hons Chemistry students are explaining the characteristic's flame colour of simple inorganic salt and discussed about various laboratory equipment's.

UDBHAV -2025

(National Youth Festival on 20, 21 & 22 February, 2025)

About the Programme: -

UDBHAV-2025 Programme was Organized by Government Arts & Science College, Rajamahendravaram, on the eve of National Youth Festival Programme was conducted on 20, 21 & 22 February, 2025 at Government Arts College Open Auditorium, Rajamahendravaram.

Student Achievement: -

Congratulated the Student Kum. R.Baby Satya Vani, IInd B.Com (Computer Application), V.K.V Government Degree College, Kothapeta. She participated in two competitions; one competition is Classical Dance and other one competition is solo song at UDBHAV-2025 Competitions. In this Competition she got two prizes. She got classical dance 3<sup>rd</sup> prize and solo song 2<sup>nd</sup> prize. Their achievement appreciated by our college principal Dr K.P.Raju, college cultural committee, and the college staff.

## FIELD VISIT ON 07/02/2025

The department of Zoology has arranged field visit on 07-02-2025 to Fish breeding centre, kadiyam, Andhra Pradesh, processing of fish fry.

Field visit to fish nursery ponds for zoology students can be a fascinating and educational experience. Here's an outline of what could be involved in the visit:

### 1. Objective of the Visit:

- To observe and study the different stages of fish development in a controlled environment.
- To understand the biology, behaviour, and ecological significance of fish breeding and nursery systems.
- To learn about fish farming practices, breeding techniques, and conservation efforts.

### 2. Preparation:

- **Pre-Visit Lecture/Briefing:** Provide students with some background knowledge about fish breeding, the role of nursery ponds, and common species raised in these ponds.
- **Safety Measures:** Discuss safety precautions such as wearing appropriate footwear, avoiding water contamination, and proper handling of fish if necessary.
- **Equipment:** Ensure students have notebooks for observations, pens, cameras, and measuring tools (if needed).

### 3. Activities During the Visit:

- **Introduction to Fish Nursery Ponds:**
  - A guide or expert explains the setup and functioning of the fish nursery ponds.
  - Highlight the types of fish species being raised and the purpose of the nursery ponds (e.g., fish for commercial farming, conservation, or restocking natural habitats).
- **Observation of Fish Growth Stages:**
  - Students observe different developmental stages of fish, from eggs to larvae to juvenile fish.
  - Discuss the factors that affect the growth of fish such as water quality, temperature, feeding habits, and pond management.

## DEWORMING DAY ON 10/02/2025

The department of zoology conducted a National Deworming Day awareness programme and distribution of albendazole 400mg tablets to our college students on 10/02/2025 in VKV Government Degree College Kothapeta. Were under the chairmanship of Principal Dr K.P Raju, ,Dr G.Srinivasulu ,Dr.K. Satyanarayana, Dr D.CH.Papa Rao, B.Vijayakumar, P.PrasannaJyothi, and Health department kothapeta PHC-2 members,students are participated in this programme.

Statutory Alert:

1. The authenticity of this Stamp certificate should be verified at 'www.shcilestamp.com' or using e-Stamp Mobile App of Stock Holding. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

## 2. Purpose:

The purpose of the Memorandum of Understanding (MOU) is to promote and enrich the teaching and learning process of the faculty of Party-I and to ensure the delivery of quality instruction for the betterment of education.

## 3. Term of MOU:

This MOU shall be effective as of the date of signing and will be executed by the parties starting from February 22, 2025. It shall remain in full force and effect for a period not exceeding five (5) years. Either party may terminate this MOU without cause by providing two months' written notice. Such notice must be delivered either by hand or via certified mail to the address listed above

## 4. Responsibilities of Parties:

- The faculty and students of Party-I will teach and train the faculty and students of Party-II, with the goal of enriching the teaching experience of Party-I's faculty and the learning experience of Party-II's students. This will be carried out according to the schedule agreed upon during the meeting held on February 24, 2025, in the Chamber of the Principal, Government Degree College, Ravulapalem. The Party-II may request some of the faculty or students of Party-I to address the faculty of students of Party-II.
- Mere participation of faculty and students of Party-I in teaching the faculty and students of Party-II according to this MOU does not carry any right or any legal entitlement to demand for placement with Party-II.
- The Colleges shall entrust a faculty member in their respective colleges to liaison between the parties.

## 5. Signatures:

- In witness whereof, the parties to this MOU through their duly authorized representatives have executed this MOU on the days and dates set out below, and certify that they have read understood, and agreed to the terms and conditions of this MOU as set forth herein. The effective date of this MOU is the date of the signature last affixed to this page.

## CERTIFICATE COURSE INAUGURATION

ON 24/02/2025

On 24/2/2025, the **Certificate Course on Ornamental Fishes** for degree students was formally inaugurated by the Department of Zoology. This course aims to provide students with in-depth knowledge and hands-on experience in the field of ornamental fish culture, breeding, and management. The inauguration event was held at zoology lab and witnessed the presence of esteemed faculty, students, and special guests.

# NATIONAL SCIENCE DAY

## MUSEUM SPECIMENS EXHIBITON 28/02/2025

The Department of Zoology's exhibit aims to introduce Z.P.H. School students to the fascinating world of animals, their biology, and the diversity of life. This event will spark interest in the field of zoology, enhance scientific curiosity, and celebrate the importance of biology in understanding the natural world, on the occasion of National Science Day, 28/02/2025."
